#### Revised Statutes for 1845, and Form Book.

This work has been issued at this office and embraces all the laws of a general character passed by the last General Assembly, and directed to be published in the revised code published under the authority of the State, also all laws of a general nature which were not revised or repealed, and have been continued in force. These laws have been published under the authority of an act passed by the last General Assembly, a copy of which, with the certificate of the Secretary of State that the law has been complied with, is inserted, by which it is made evidence in courts, and given the same effect as the laws published by the State. In addition to the laws, this work contains notes of reference to decisions of the Supreme Court, and reference to alterations made from the former acts by the revised code.

There is also appended a full set of forms, embracing forms and instructions for writs, processes, deeds, wills, notes, leases, indentures and nearly every instrument which is required in the practice of any officer, or the business of any person. The whole is accompanied by a complete and comprehensive index, much more full and perspicuous than that in the revised laws of 1825.

Agents will in a few days visit the various sections of the State, and will be prepared to supply the demand, either by wholesale or retail.

Price of a single copy, \$3.
